

IN THE MATTER OF

Notice of Proposed Action

AFFIDAVIT OF PUBLICATION

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY REGION IX 100 CALIFORNIA STREET SAN FRANCISCO, CALIFORNIA 94111. NOTICE OF PROPOSED ACTION by the U.S. Environmental Protection Agency Region IX 100 California Street San Francisco CA 94111. 415/556-3450. On National Pollutant Discharge Elimination System Permits to Discharge Pollutants to Waters of the United States. The Environmental Protection Agency, Region IX, San Francisco, CA, has previously issued National Pollutant Discharge Elimination System permits for the dischargers listed below. The Regional Administrator proposes to revoke the listed permits. This proposed action represents neither a lapse in the authorization to discharge granted by the permit nor any alteration of the Terms and Conditions of the permit. The proposed revocation shall occur only after adoption, by the Hawaii Department of Health, of each permit as a permit under State Authority. The purpose of the proposed action is to provide for a single effective NPDES permit for each listed discharge, to be administered by the State. In accordance with the State of Hawaii amendment to Public Health Regulations, Chapter 37, and under the authority to administer the National Pollutant Discharge Elimination System permit program pursuant to Section 402 of the Federal Water Pollution Control Act Amendments of 1972, delegated to the State on November 28, 1974, the Hawaii Department of Health intends to adopt certain NPDES permits, originally issued by the Environmental Protection Agency. Upon adoption, the permits, listed below, will be considered permits under the State of Hawaii NPDES Program. The revocations, as proposed, are to be effective on August 20, 1975, but in no case, prior to the effectivity of Amendments to the Hawaii Public Health
